Dear City Clerk Alice Reimche:

Effective, June 15, 1998 MediaOne will adjust its installation and other equipment rates. MediaOne's Social Contract, which provides the framework for pricing our products subject to regulation, allows for revised equipment and installation prices beginning June 1, 1998. We have attached the new fee schedule for your records.

MediaOne is committed to providing quality customer service and programming that offers excellent value to our customers. At the same time, like any other business, we must occasionally adjust our prices to reflect the changing nature of business. Please let me know if you have any questions.

Sincerely,

Eileen Martin
Vice President and General Manager
